

Operational Programme
Human Resources Development,
Education and Lifelong Learning

Co-financed by Greece and the European Union

Co-funded by
the European Union

Human Resources
and Social Cohesion
Programme

University of Ioannina

Faculty of
Medicine

Doctoral Studies
Neurosurgery Novel Advancements

Neurosurgery Novel Advancements

Seminar

Ioannina, Greece

March 17-21, 2025

Visiting Prof. Wilhelm Eisner

Medizinische Universität Innsbruck, Austria

AGENDA

Monday , MARCH 17, 2025

Introduction – Program Objectives

Lecture: PhD Program - Stereotactic procedures and accuracy

Factors affecting accuracy – methods to be utilized

Networking with the staff of the department

Privatissimum for PhD students

Literature review

This program is co-financed by Greece and the European Union (European Social Fund- ESF) through the Operational Programme «Human Resources Development, Education and Lifelong Learning 2014-2020» in the context of the project “Neurosurgery Novel Advancements” (MIS 5162213).

This program is co-financed by the European Union (European Social Fund- ESF) and Greece through the Operational Programme “Human Resources and Social Cohesion”, “ΕΣΠΑ 2021-2027”, in the context of the project “Support for Internationalization Activities of the University of Ioannina, Neurosurgery novel advancements” – MIS: 6004807.

Human Resources
and Social Cohesion
Programme

Tuesday, MARCH 18, 2025

Lecture on intraoperative electrophysiology and training of the team

Workshop on Intraoperative Neuromonitoring

Adaptation of IOM Device

Wednesday, MARCH 19, 2025

Introduction in awake craniotomy with adaptation of the surgical procedure

Electrophysiology, Neuropsychology, Anaesthesia

Thursday , MARCH 20, 2025

Lecture on DBS surgery and discussion of indications beyond PD, ET, Dyt.

Friday, MARCH 21, 2025

Privatissimum for PhD students

Presentations from PhD students (Pantelis Bagiorgas, Eleni Romeo, Jetmira Kerxhaliu)

Discussion of study results on surgeries in Ioannina – Innsbruck – Zurich
